

GROUP I / II PRELIMINARY

MICRO PREPARATORY PROGRAMME FOR GENERAL SCIENCE

[ZOO/BOTANY/ PHYSICS / CHEMISTRY]

PRACTICE TEST

The materials can be accessed according to the following test numbers.

| TEST NO. | TOPIC | MATERIALS | TEST |
|----------|--|-------------------------------------|--------------|
| 1 | Zoology - Human Diseases i. Deficiency diseases ii. Genetic disorders | Available in both English and Tamil | 35 Questions |
| 2 | Chemistry - Acids and Bases | Available in both English and Tamil | 35 Questions |
| 3 | Zoology - Human Diseases iii. Vector Borne | Available in both English and Tamil | 35 Questions |
| 4 | Chemistry - Salts, pH, Acidity and Basicity | Available in both English and Tamil | 35 Questions |
| 5 | Zoology - Circulatory system and current affairs | Available in both English and Tamil | 35 Questions |

| | | | |
|----|--|---|-----------------|
| 6 | Chemistry - Classification of ores and Metals | Available in both English and Tamil | 35 Questions |
| 7 | Zoology - Endocrine system and current affairs | Available in both English and Tamil | 35 Questions |
| 8 | Zoology - Genetics | Available in both English and Tamil | 35 Questions |
| 9 | Chemistry - Alloys, introduction to elements and compounds | Available in both English and Tamil | 35 Questions |
| 10 | Zoology - Reproductive system | Available in both English and Tamil | 35 Questions |
| 11 | Chemistry - Elements and Compounds - s, p blocks | Available in both English and Tamil | 35 Questions |
| 12 | Zoology - Environment | Available in both English and Tamil | 35 Questions |
| 13 | Chemistry - Elements and Compounds - d, f blocks - commonly used compounds in daily life | Available in both English and Tamil | 35 Questions |
| | | | |

| | | | |
|----|--|--|-----------------|
| 14 | Botany - Classification of Living Organisms and Current Affairs | Available in both English and Tamil | 35 Questions |
| 15 | Chemistry - Fertilizers, pesticides, insecticides & nitrogen compounds | Available in both English and Tamil | 35 Questions |
| 16 | Botany The Cell basic unit of life | Botany - Available in both English and Tamil | 35 Questions |
| 17 | Chemistry - Carbon compounds | Available in both English and Tamil | 35 Questions |
| 18 | Botany Respiration | Botany - Available in both English and Tamil | 35 Questions |
| 19 | Physics - Light and Current Affairs | Available in both English and Tamil | 35 Questions |
| 20 | Botany Nutrition and Dietetics, Main concepts of Life science | Botany - Available in both English and Tamil | 35 Questions |
| | | | |

| | | | |
|----|--|-------------------------------------|--------------|
| 21 | Physics - Heat and Sound and Current Affairs | Available in both English and Tamil | 35 Questions |
| 23 | Physics - Force, Motion and Energy | Available in both English and Tamil | 35 Questions |
| 25 | Physics - Electricity and Magnetism, Current Affairs | Available in both English and Tamil | 35 Questions |

“IT ALWAYS SEEM IMPOSSIBLE UNTIL IT’S DONE “

- NELSON MANDELA
